### **JULIE MASON**

Designer / Production

#### **Background and Skills:**

Ms. Mason joined the staff of LMA in February 2006. She brings with her a wide range of computer graphics experience and organizational skills. Since joining LMA, Ms. Mason has had the opportunity to be involved in nearly every aspect of the design process, including production of needs assessment plans, code compliance research, preparation of plan check responses, cost estimation, construction administration and post construction services. She oversaw the construction of the City of La Mesa, CA Post Office and Library, which earned two Public Works design awards. Her attention to detail and knowledge of computer aided design programs, including Revit Architecture (BIM) are a daily asset to the firm. Ms. Mason worked in mixed-use and commercial architecture before joining LMA.
